

ATTENDANCE POLICY

Foxyards Primary School

Introduction:

This is a successful school and your child plays their part in making it so. We aim for an environment which enables and encourages all members of the community to reach out for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

Why Regular Attendance is so important:

Learning: - Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Safeguarding: - Your child may be at risk of harm if they do not attend school regularly. Safeguarding the interests of each child is everyone's responsibility and within the context of this school, we will adhere to 'Working together to Safeguard Children' (March 2013):
Protecting children from maltreatment.

Preventing impairment of children's health or development.

Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care.

Taking action to enable all children have the best life chances.

Failing to attend this school on a regular basis will be considered as a safeguarding matter.

Promoting Regular Attendance:

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Give you details on attendance in our regular Newsletter;
- Celebrate good attendance by displaying class achievements;
- Reward good attendance termly with our bronze, silver and gold certificates and termly prize draw for 100% weekly attendance.

The Law relating to attendance

Section 7 of the Education Act 1996 states that *'the parent of every child of compulsory school age shall cause him / her to receive efficient full time education suitable:-*

(a) to age, ability and aptitude and

(b) to any special educational needs he/ she may have

Either by regular attendance at school or otherwise'

The Law relating to safeguarding

Section 175 of the Education Act 2002 places a duty on local authorities and governing bodies to have regard to guidance issued by the Secretary of State with regard to safeguarding and promoting the welfare of children and students under the age of 18.

Understanding types of absence:

Every half-day absence from school has to be classified by the school (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This type of absence can lead to the Local Authority using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping children off school unnecessarily
- Truancy before or during the school day
- Absences which have never been properly explained
- Children who arrive at school too late to get a mark
- Shopping, looking after other children or birthdays
- Day trips and holidays in term time which have not been agreed.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

Any student in **Foxyards** identified as having **attendance below 93%** will have all further absence **unauthorised** on schools register.

However, should parent(s) provide evidence from a medical practitioner advising that the period of absence was necessary, the absence for the evidenced period will be authorised.

Children missing Education

If a child is not at school because they have moved to another school or out of the area we will not take them off our registers until we have heard from their new school that they are attending. If after 10 days we do not hear that they are in a new school we will refer the child to the EIS for them to investigate. A child will not be off rolled until we permission from the Education Investigation Service.

The following national codes will be used to record attendance information.

Persistent Absenteeism (PA):

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

PA pupils are tracked and monitored carefully and parents will be informed in writing. Medical evidence will be required for all further absences.

Absence Procedures:

If your child is absent you must:

- Contact us as soon as possible on the first day of absence;
- Or, you can call into school and report to reception, who will arrange for a member of staff to speak with you.

If your child is absent we will:

- Telephone or text you on the first day of absence if we have not heard from you;
- Invite you in to discuss the situation with our Attendance Officer and/or a member of the senior management team if absences persist;
- Refer the matter to our Attendance Consultant and/or the Local Authority if attendance moves below 95%.

Telephone numbers:

There are times when we need to contact parents about lots of things, including absence. We need to have your contact numbers at all times. So help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. **You have a duty to notify school as soon as possible of any changes to contact details.**

The School Attendance Officer:

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the Education Investigation Officer (EIO) from the Local Authority. He/she will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorised absences persist, these Officers can use sanctions such as Penalty Notices or prosecutions in the Magistrates Court. Alternatively, parents/carers may wish to contact the EIO themselves to ask for advice and information. They are independent of the school and will

give impartial advice, in accordance with their statutory duties. Their telephone number is 01384 814317.

Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons. This can be embarrassing for the child and can encourage absence.

How we manage lateness:

The school day starts at 9am and we expect your child to be in class at that time.

Registers will be marked at 9am and your child will receive a late mark if they are not present in the class.

At 9.30 am the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

If your child has a persistent late record you will be asked to meet with a member of school staff and/or Attendance Consultant to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Holidays in Term Time:

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children away in school time. Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

There is no automatic entitlement in law to time off in school time to go on holiday and the government made an amendment to the Education (Pupil Registration) (England) Regulations 2006 in September 2013 to reflect this.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are exceptional reasons, irrespective of the child's overall attendance. Where a parent takes a leave of absence to which the request was refused or takes leave of absence where no application was made to the school the issue of a penalty fine (upon return from such leave) by the local authority will be requested. When requesting a fixed penalty fine the school may calculate the period of days taken within a 12 month period.

A general guide for leave for any holiday, activity or event that could be arranged during the annual 13 week holiday time would not be authorised.

Further information regarding Penalty Notice Fines and other enforcement proceedings relating to school attendance can be obtained from the Education

Investigation Service (01384 813417)

Each and every day the school is open for registration students are expected to attend school, unless any absence is authorized by the school.

Summary:

All school staff are committed to working with parents and pupils as the best way to guarantee as high a level of attendance as possible and that through good attendance ensure every child's welfare and life opportunities are promoted.
