Use of Sports Premium in 2016/2017

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the department for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Sports Premium funding objectives:

1. To improve the quality of existing PE teaching through continuing professional learning in PE for generalist so that all primary pupils improve their health , skills and physical literacy and have broader exposure to a range of sports.
2. To increase participation levels in competitive sport and healthy activity of pupils and maintain these into adolescence
3. To increase the quality of initial training in PE and sport, and to promote PE specialism in primary level workforce
4. Schools understand and value the benefits of high quality PE and sports, including its use as a tool for whole school improvement

Measuring the impact of Sports Premium Spending

PE subject coordinator, SLT and coaches from Premier Sport work together to provide support and monitor impact for the pupils in PE. Activities and provision are carefully planned for and evaluated by these staff, who monitor the impact on the pupils in a variety of ways.

- Evidence arising from learning walks
- Pupil voice
- Discussions about teaching and learning with teachers and coaches
- The views of staff
- PE assessment.
