

Let's Talk... Reading

Literacy Book Quiz

Some of our year 4 pupils are taking part in the 2016-17 book quiz- the annual knockout reading competition: competing against other primary school in the borough.

Each child will have to read 8 books and are expected to not only answer questions about what they have read, but the authors too.

The first round is to be held early March...we'll keep you posted of their progress.
