Dodgeball

The Dodgeball tournament went really well. Children worked really hard and enjoyed taking part in the game.

It was a great team effort by all.

My team came 3rd.

3rd place - Dahl

4th place - Blyton

Nenchball

In Spring Miss H and Mrs McGrath created a game called 'Nenchball'. It was a mixture of benchball and netball rules.

Children across the school took part in their classes.

It was great to see teams working together in a competitive environment.

Dance Festival

On Friday 17th February, school hosted an extraordinary dance performance, which inspired lots of young pupils. The whole school took part from Reception (the youngest) to Year 6 (the oldest) This one time performance was great, with lots of music. Children performed a range of street dances which their choreographer—Miss H, who is a perfectly professional! —organised and sorted the music and dance moves into the right places.

A parent commented ' I enjoyed everything about the dance festival from start to finish. I'm glad I stopped for all of the dances because it was amazing"

Sports Day

The school council organised our sports day this year.

Children from Year 5 and 6 helped run the Early Years, Key Stage 1 and Key Stage 2 Sports Day.

All the children had a fantastic time with greater participation and ranges of races.
